

## Matching Gift Program

*Double the impact of your  
contribution with a matching gift*

Many of the businesses in our community have a matching gift program in place. Your Jog-A-Thon contribution can be doubled or tripled by using your company's matching gift program.

Contact your company's human resources or public affairs office for a gift form and return the form with your contribution. A Jog-A-Thon committee member will complete the form and return it to your company for processing.

Please use your company's matching gift program to supplement your support, but not to replace it.

The following are some companies that participate in the matching gift program:

|                            |  |
