PersonaLEE Ads

A PersonaLEE is a special way to send a special message to your child, a class or a friend. You may send us your layout, or send a favorite picture and message and we will design the PersonaLEE just for you.

Photos Needed

This year we are creating the yearbook on the web. You can e-mail us your photos to leeschoolyearbook@yahoo.com or simply bring your photo in the office and we'll scan it for you.

Be sure to write your student's name and section number on the back of the photo or disk so we may return them to you.
